

Adult Education Teacher (Math & Digital Skills)

At Project Read, your work directly impacts people's ability to communicate, find employment, and function independently. We are seeking an **Adult Education Teacher** to help adults build practical, real-world skills.

Your Impact

Each class helps learners apply new skills immediately—whether that's using technology, improving communication, or preparing for work.

What You'll Do

- Provide small-group instruction in **math and digital skills**
- Use real-world materials
- Track progress
- Support student success

Schedule & Compensation

- Part-time (~6 hours/week)
- Tuesdays (10:00–11:30 a.m.), Wednesdays (10:00–11:30 a.m.) & Thursdays (5:30–7:00 p.m.)
- \$16–\$17/hour

Location

- Provo, Utah

To apply, please send resume and cover letter to Project Read's Assistant Director, Ashlen Lemon at ashlen@projectreadutah.org.
